

had Dringy very bad, they took him to the hospital to have his throat-lanced and just got him home and is real bad yet.

Pop was over Clifford way yesterday and when he was coming home picked up Mary and Lottie Shefsky on their way to the Royal dance. Painted like roses. They said their father was in the Midvalley hospital had been there six weeks. had both feet smashed on his toes they did not seem to know just what was the matter.

Last night we heard the dedication of the tunnel of the Great Northern Railroad through the Cascade Mountains 8 miles long through Granite in the state of Washington. Some wonderful things do happen. Just listened to a talk on
